Dear Parents and Guardians,

“Let's Learn Chinese” is a Chinese language program which currently been offer to WVUSD. We understand the importance of this learning opportunity for grades K-6 students. With years of experiences in Chinese education, we proudly launch our service into the Eastvale community to provide students this extraordinary learning experience. 秉持著在核桃學區近三十年傳揚中華文化的熱誠與經驗 “大家來學中文” 正式於 Eastvale 開課了。

Goal

Our small and interactive classes are specially designed and aims to enable non-heritage students to communicate effectively in Mandarin Chinese. Through the journey of learning the language, students will learn 150 high frequency words in each level and reach the ultimate goal of reading fluency.
